### Request and Selection of Supplemental Educational Service Providers

Please place a check in the space below to indicate your interest in tutoring services and the choice of the service provider. These approved providers are reasonably available for tutoring your child in the locations noted in either one-on-one settings or small groups. Once a service provider has been determined for your child, you and your child will be notified by the district. Please make every effort for your child to attend all sessions at the times and dates set by the provider. We hope this experience will be pleasant and beneficial for you and your child. If the number of eligible students exceeds the financial resources available, the lowest achieving students from low income families will receive SES services first. **Please return the request to your child's school office by October 3, 2014.**

 I understand that:

- My child must regularly attend the program. If he/she is consistently absent, my child will be dropped from the program.
- If I cancel the service with this provider during the current school year, I will not be allowed to select another provider until the next school year.
- Tutorial services will terminate on or around May 8, 2015, or until my child has utilized the per pupil allocation for his/her tutorial support, whichever comes first.
- Any transportation costs to and from the tutor/supplemental service provider's location are the responsibility of the parent.
- I must attend a meeting with a representative of the agency/provider to establish academic goals for my child.
- I give my permission for school officials to release academic achievement information to my child's tutor.
