

2023-2024

INSURANCE FOR YOUR STUDENT'S COMPUTER DEVICE!

August 2023

Dear Cascade Parents,

Your child will again be assigned a computer device (iPad or Chromebook, etc.) for his/her use at school and at home. These devices cost the District several hundred dollars each, and are expensive to repair, as well. iPads cannot be repaired, and the cost to replace each device is significant.

To spare you these costs, the District is implementing an insurance plan for the device this year. Instead of paying \$75 to replace a broken screen, or \$450 to replace a broken device, you may purchase insurance for your student's device for **\$20 per school year**. This one-time fee will cover the device for **accidental breakage**, and you will not be billed for the repair.

To sign up for this insurance, complete the information below and send it with payment to your child's teacher. **A receipt from the Tech Department will be sent to you by email, acknowledging that you have insured the device. Please keep this receipt should you need to have the device repaired.**

The insurance plan must be purchased within the first 30 days of your child's enrollment. After that time, if you have not enrolled in the insurance, you will be billed the cost of parts and labor to repair/replace your child's device.

RETURN THIS COMPLETED FORM WITH PAYMENT TO THE SCHOOL OR DISTRICT OFFICE. YOUR INSURANCE IS EFFECTIVE ONCE YOU RECEIVE YOUR RECEIPT.
