

## Thanksgiving MATH Incentive

Dear Family,

We are pleased to offer students the opportunity to participate in the i-Ready Thanksgiving MATH Incentive as an OPTIONAL enrichment program. Students are familiar with i-Ready because it is being used during instructional hours at Anderson Heights.

The i-Ready Thanksgiving MATH Incentive goal is to encourage Anderson Heights students to use the Program at home and be rewarded for their extra effort while becoming more proficient in math. i-Ready is a Math Program that assigns each student a personalized Program based on their individual needs. This Program adjusts its questions based on how well the student is performing, and brings in remediation or enrichment as necessary.

The Thanksgiving Incentive will start on Nov. 21 and ends on Nov. 28, 2021. To receive the incentive reward of a Hot Chocolate and decorate sugar cookies, your child must complete **8 lessons with 75% or higher comprehension**.

Thank you for all your support,  
Anderson Heights Elementary
