

INSTRUCTIONS FOR iPAD

1. How do I turn on the device?

Hold the iPad vertically, where the screen is long top to bottom, and the camera is at the top of the screen. The power button is in the top right corner. Press and hold the power button until the Apple logo appears on the screen. (*see image below for reference*)

2. How do I log on?

There is no login required for this device.

3. What is your child's Quick Card (Applies only to Chrome Tablets) - What do I do with it?

Not applicable to this device

4. What is my child's email?

Student emails are a combination of their five-digit student ID number followed by @students.cuesd.com. If you don't know what your child's email is, his/her teacher will be able to provide that to you.

5. What is the password?

Student passwords are four letters followed by four numbers. If you don't know your student's password, please ask the teacher for it.

6. What do I do once I'm logged on?

Please ask your teacher if you don't know what you should do on your iPad after you have signed in.

7. What is ClassLink?

ClassLink is a one-click sign-on to access web applications so, once logged in, they are able to access the applications used at school.

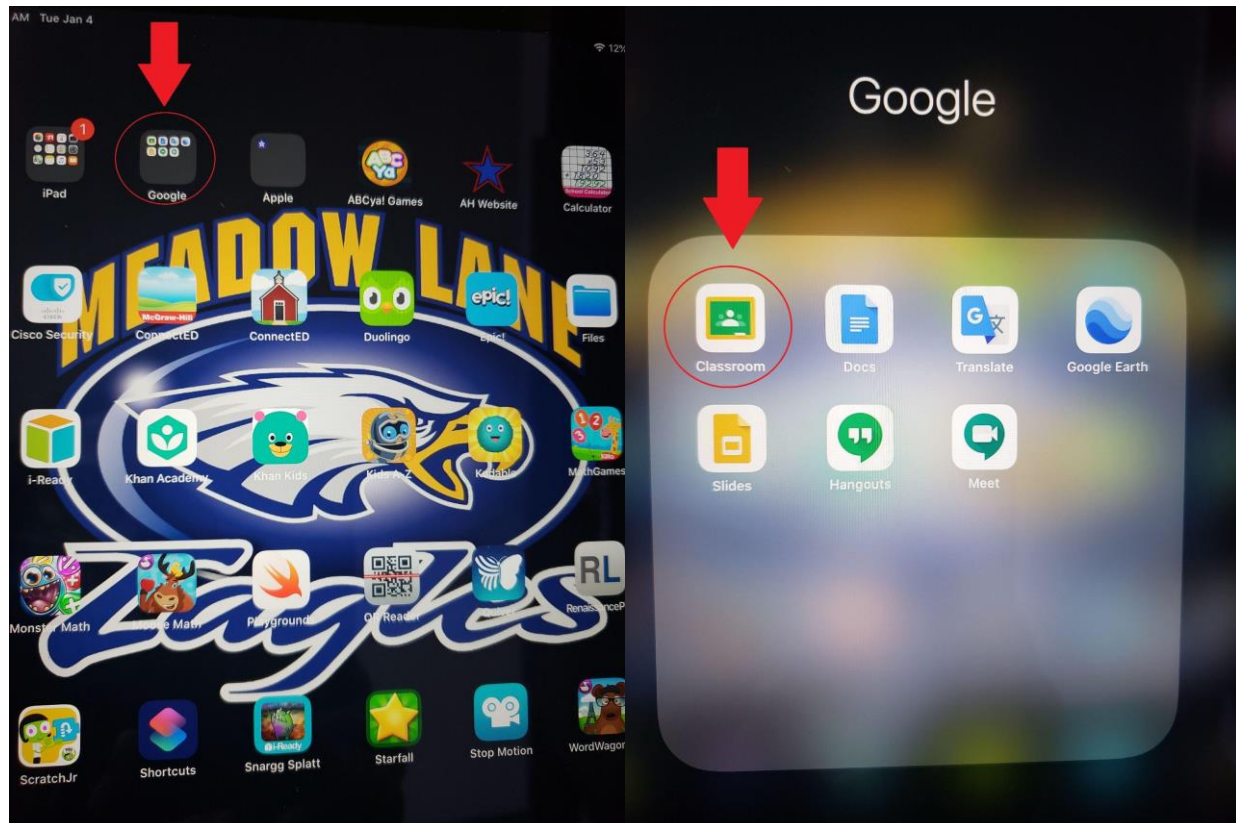

8. What programs or applications should I see when I turn it on? What if I don't see them?

Educational applications should be visible on the screen, i.e., Starfall, ABC Ninja. (*see image below for reference*)

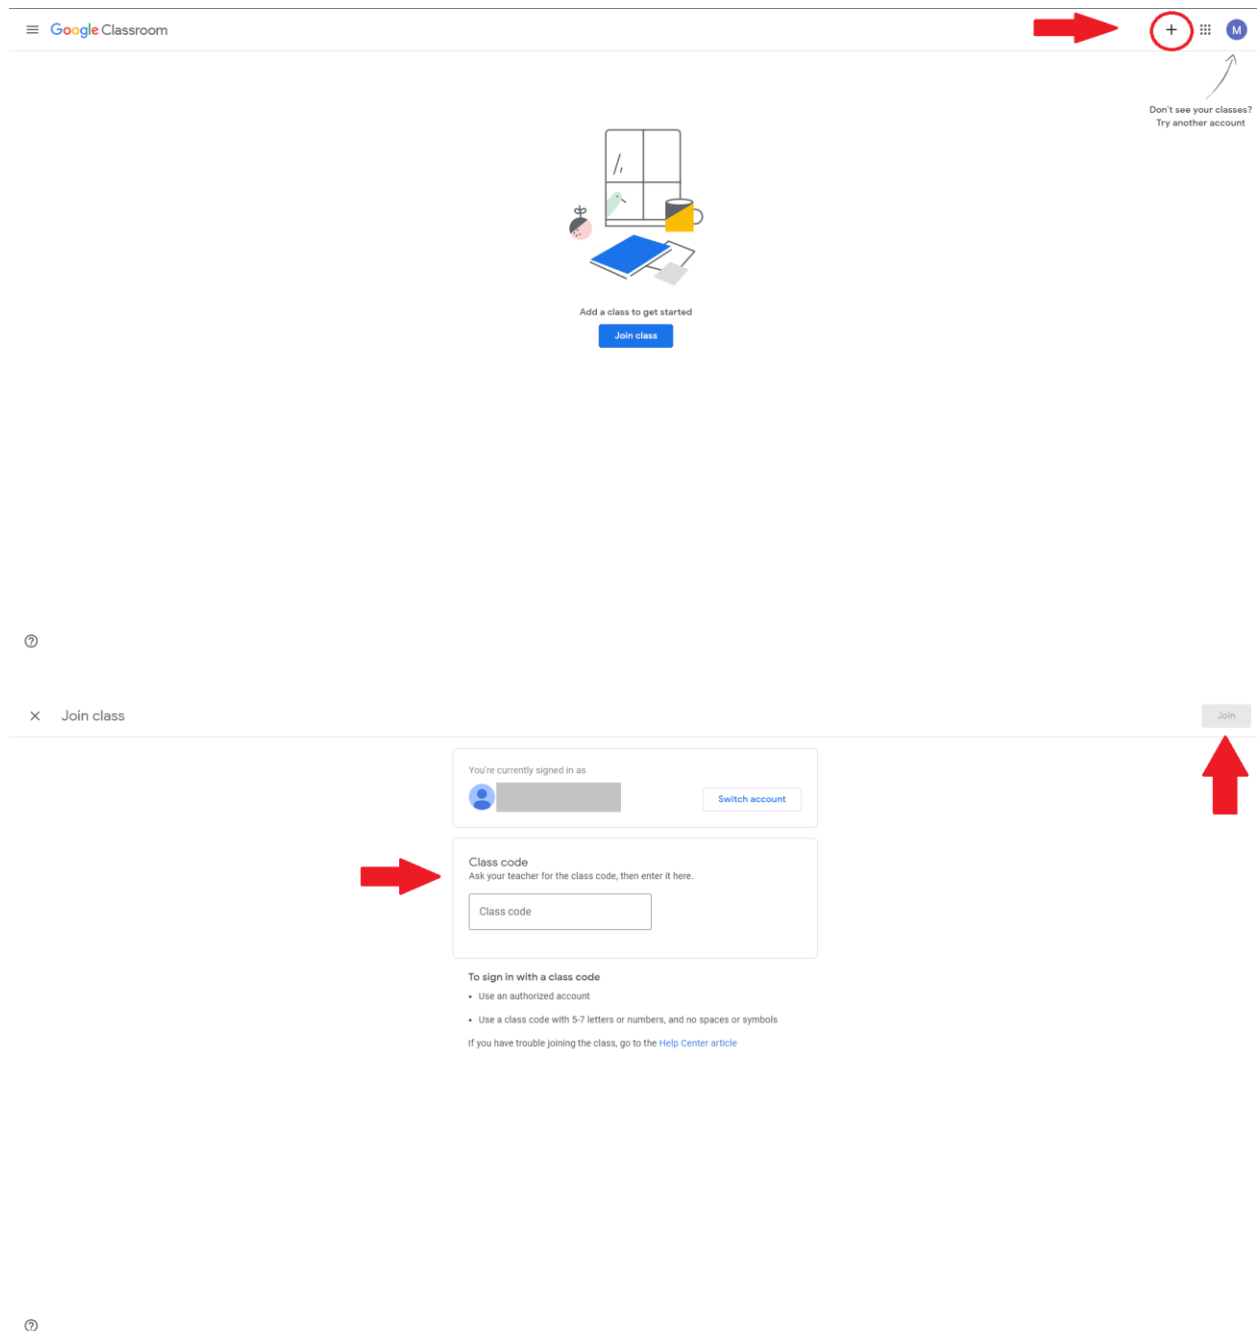

9. Where do I find Google Classroom?

Google Classroom is on the home screen. To access the home screen, with the iPad on, push the circle button. Tap the box that says “Google” in the top row, on the right side. Tap on the first icon, “Classroom” and follow the prompts to enter the student email and password. (*see image below for reference*)

10. How do I add my class to my Google classroom if I don't see my teacher?

Contact your child's teacher and ask them to invite you/provide the code. Once you have the code, tap on your Google classroom icon. Tap the plus symbol near the top right corner of your screen, select “join class,” and type in the class code into the class code box. (*see images below for reference*)

11. What do I do if the device says it needs an update?

“Software Update” will be displayed in the center of the screen with the options “Install Now,” or “Remind Me Later.” Tap on “Update Now.” If “Unable to Install Software Update” pops up on the screen, contact your child’s teacher. (*see images below for reference*)

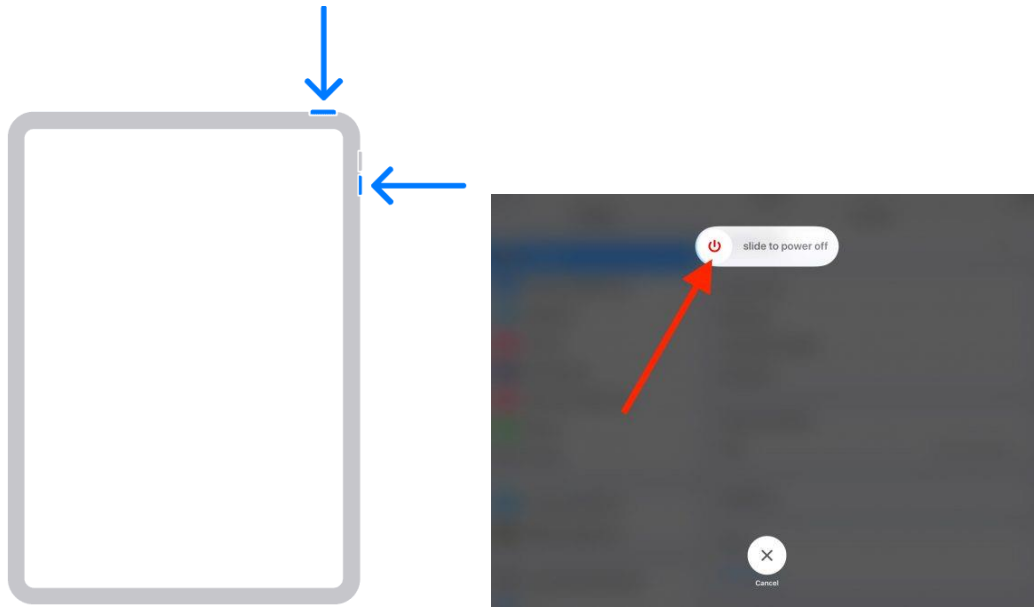

12. When should I turn it off?

Turn off the device at least once a week.

13. How do I turn off the device?

Hold the iPad vertically, with the screen long, top to bottom, and the camera at the top. The volume buttons are at the top right side of the screen. Push and hold the power button AND the down volume button (the bottom button on the right side of the screen) at the same time. Hold the two buttons until the screen says, "slide to power off" at the top of the screen. Slide your finger across in the direction shown and the device will power off.

14. When should I charge it and how will I know if it needs to be charged?

iPads need to be charged every night. *(see image below for reference)*

15. Where do I plug in the charger?

Hold the iPad vertically, with the screen long, top to bottom, and the camera at the top. The volume buttons are at the top right side of the screen. Look for the charging port at the bottom and of the iPad.

16. How do I connect to WIFI?

From your Home screen, go to Settings > Wi-Fi. Turn on Wi-Fi. Your device will automatically search for available Wi-Fi networks. Tap the name of the Wi-Fi network that you want to join. Before you can join the network, you might be asked to enter the network's password or agree to terms and conditions (*see image below for reference*)

17. What if I don't have internet at home?

Spectrum and the FCC can provide WiFi at no cost to you or a reduced cost. Links to these programs are below. Applications and program information is available at the school office. WiFi hotspots are available for students who qualify.

FCC Emergency Broadband Benefit Media Resources:

<https://www.fcc.gov/emergency-broadband-benefit-media-resources>

Spectrum Internet Assist Program:

<https://www.spectrum.com/internet/spectrum-internet-assist>

18. Do I qualify for a district hotspot?

To determine if your student qualifies for a district hotspot, we need to know where you live, how many students will be using the hotspot, and if you currently have an internet provider. (see image below to know what our hotspots look like)

19. Who do I call if I need more help?

Call the Technology department at 530-378-7025
